Hi Everyone,

First, we would like to thank everyone for their cooperation as we worked through the class schedules. Our classes are well underway and the kids are working so hard and flourishing! A big thank you to all of our parents, students and teachers!

Costumes have been ordered. We are very excited about our selections and we are certain they will be fabulous! Deposits for costumes were due in October. If you did not pay your costume deposit, a costume **was not** ordered for your dancer. Please see the front desk staff immediately to settle any outstanding deposits.

Costumes balances are due at the end of January, however, costumes will not be delivered at that time. Costumes will be delivered around the end of March/beginning of April. Look for pictures in the lobby beginning in

February to get a preview of what they will look like.

We are offering so many additional opportunities for students, friends and parents to improve dance technique and get in shape! Please see the classes under "Special Interests" or inquire at the front desk. Sadly, we have already had to cancel the "under 12" technique classes because of lack of

participation, so please help us SPREAD the WORD!

On a final note, we would like to wish you and your families a spectacular Holiday Season!

Loni & Noretta

**NDS TOP DAWGS!**

## PARKING

Parking continues to be a significant challenge. Please use areas as additional studio parking:

- Side Street parking on Notre Dame
- Ziebart parking lot after 6:00 p.m.

**Please do not park** in the Coney Island or Law Office parking lots (south of the studio). You may be towed at your expense.

If you are using the drop-off line, keep in mind the following:

- Traffic flow is one-way, entering off of Telegraph or Notre Dame and exiting in the alley (traffic moving south)
- Keep it moving as quickly as possible
- You cannot block someone in a parking space. If someone needs to back out of a space, you will need to move.

**Please be courteous!**
